

Development of SUSTAINABLE SERVICE IN DS

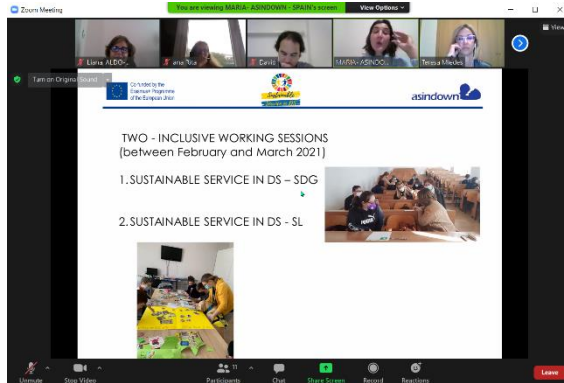

INVOLVING PERSONS WITH DOWN SYNDROME IN THE IMPLEMENTATION OF SUSTAINABLE DEVELOPMENT GOALS THROUGH SERVICE LEARNING

During the 15th to 16th April 2021, HURT Croatia hosted online the second transnational project meeting of the partners participating in the European project SUSTAINABLE SERVICE IN DS. The initiative is promoted by the Romanian association ALDO-CET; HURT is one of the Partner associations.

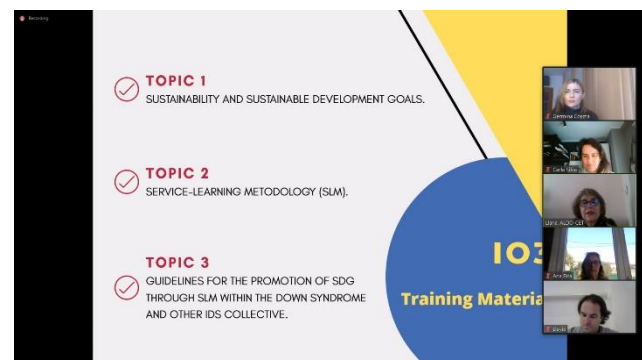

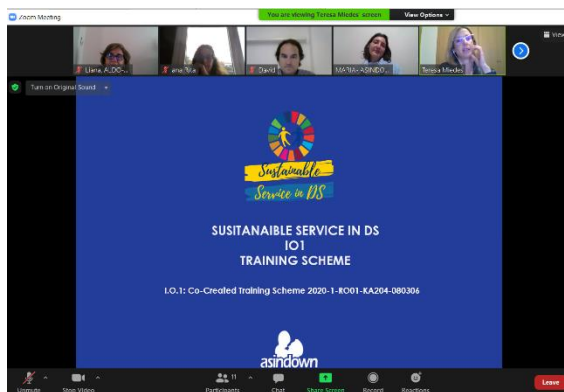

The philosophy of our project is to work for the 2030 Agenda for Sustainable Development, applying a holistic approach where the integration factor is inclusion for all in all, by delivering concrete actions that bring tangible progress in the areas of the Sustainable Development Goals (SDGs) aiming to EDUCATION FOR SDGs with outcomes in knowledge, skills, attitudes and values necessary to address sustainable development challenges.

This 2nd coordinating meeting was an important opportunity for discussion on the Global Report about the implementation of Inclusive Working Sessions in each partner's country, the Training Scheme of the project and the actions to be developed, which will include in the coming months an intensive work of elaboration the Learning Activities and Training Tools.
